Barbara Casson MSW & Marcia Choi M.Sc. SLP (C)

This one day session will focus on understanding and leading in a multigenerational and multidisciplinary workforce, and will be suited to new or current leaders wishing to elevate their leadership practice.

You will learn;

- How to identify the different generational value systems
- How to adapt your personal leadership style to meet the needs of a diverse team
- How to achieve a balance between managing and leading
- How to use your influence to motivate and gain commitment
- How to integrate leadership strategies for times of change
- How to develop and empower self-directed teams
- How to positively influence team culture
- How to incorporate current leadership wisdom into your practice
- How to identify and contain conflict within your team

Workshop Fees:

***Registration starts at 8:00,
includes a light breakfast, full lunch and all breaks
Early Bird \$285.00**

Regular Rate \$305.00

Please ask about our discount for groups of 4 or more

Full refunds will be given for cancellations received 30 days prior to the session
